EXPLANATORY NOTE/BACKGROUND

Confirmation of amendments previously approved by the Council of General Synod.

Pursuant to Canon XII section 6(b), the Pension Committee is empowered to adopt and amend regulations regarding the continuing education plan that it administers, subject to the approval of the Council of General Synod. All such regulations must be confirmed by the General Synod at its next session in order to remain in effect. These amendments were duly adopted by the Pension Committee and ratified by the Council of General Synod during the last triennium. They are presented for confirmation by the General Synod as required by the canon referred to above.

PROCEDURE FOR ADOPTION

In the normal course, an ordinary motion must be passed by a majority of the members of General Synod present and voting together.

Six members of General Synod may, prior to the question being put, require a vote by Orders, with a majority of each Order being necessary to pass.

If a question passes on a Vote by Orders, any six members (two from each of three different dioceses) may immediately before the next item of business require a vote to be taken by dioceses. A motion passes if a majority (or a tie) of dioceses vote in favour. 2
